

What if...

1. A Sniper shoots from a vacant building across the street towards your playground?
2. A chemical is spilled from a tanker on the road in front of the school?
3. A lockdown is called when students are in the bathroom?
4. A crisis happens during lunch?
5. CPR trained person is a classroom teacher and CPR is needed elsewhere?
6. An earthquake takes place after 3:00pm and cafeteria workers are gone for the day?
7. A large disaster occurs and students and staff are stuck at school for 2 days (home plans)?
8. A parent comes to take a child home to a home in a restricted part of town due to a terrorist attack, what do you do?
9. The media asks you an ordinary question (what do you say)?
10. A non-custodial parent comes to pick-up a child at school, do you have a way to check on status?
